Design & Analysis of Algorithms

**18th to 23rd
December
2017**

The Department of Computer Engineering, MITCOE, Kothrud Pune is going to organize National level FDP on “Design and Analysis of Algorithm” on December 18 to December 23 2017.

The primary aim of the FDP is to cover the basic foundation of designing correct and efficient sequential algorithm through the process of mathematical analysis and logical design. It is provide a platform for academicians and engineers in computer technology to meet, exchange ideas, and establish professional networks. It is a forum which will focus on design and analysis of algorithms to studies real time application.

Convener,

Prof. Bharati Dixit

Head, Comp Deptt.

MITCOE, Pune

Coordinators:

Dr.Uma Pujeri,

Prof.Anita Thengade

Prof.Sharmishta Desai

Prof. Kranti Dive
